

## DUPONT™ TYVEK® BANNERS AND WIDE FORMAT PRINTING

Tyvek® produces banners with strikingly vibrant colours and all-weather durability. Printing on Tyvek® produces a non-glare surface that enhances low reflectivity for easy reading, even in the face of reflection

- Excellent reproduction quality for bold, strong graphics
- Natural white colour that won't yellow over time
- Resistant to strong sunlight when light-fast inks are used
- Lightweight yet strong
- Tear and puncture resistant
- Weather-resistant under all kinds of conditions

**100% Recyclable DuPont™ Tyvek® PROTECTS YOUR BUSINESS, YOUR PRINTING AND THE ENVIRONMENT**
